TERMS AND CONDITIONS

Completed 'PIN REGISTRATION/ACCOUNT ADD REQUEST' forms should be handed over to the branch where the account is held.

1. User is aware that Prime Bank will never ask for any Login ID/User ID, MPIN, TPIN or Passwords and the Bank's Staff members are not authorized to ask for the same either orally or written. User is aware that the Bank Record regarding Address, Phone/Mobile Numbers, e-Mail address should remain updated and the customer will inform the Bank upon any change. Bank is not responsible for maintaining the same if the customer has not advised the Bank through the Change Request Form.
2. On receipt of the PIN Regeneration request, Prime Bank can seek any clarification from the customer in order to process the request. In case the user wishes to change/update the email id, please send a letter to your Branch. We will be unable to act on the request if an email id is not available on the records of Prime Bank.
3. In the event that user instruction/s cannot be carried out owing to any discrepancy or otherwise, Prime Bank may inform the user by e-mail, provided the users e-mail id has been provided to Prime Bank. The bank is not responsible for non-receipt of such e-mail on account of any incorrect e-mail id or system error or non-acceptance by the customer's email server for the Prime Bank domain.
4. User agrees that he/she shall be solely responsible for the details given in the PIN Regeneration Request Form and shall indemnify Prime Bank for any loss or damage suffered by the customer consequent to the bank acting on such information.

Data Privacy Statement

"Personal data received by Prime Bank Ltd is confidential, we shall ensure that only the designated employees and other persons authorized to act on our behalf who have a need to know and are under confidentiality obligations with respect to the personal data have access to the personal data in line with all applicable national and international data protection laws. Prime Bank warrants that it shall maintain and continue to maintain privacy through appropriate and sufficient technical and organizational measures to protect personal data against accident loss, destruction, damage, alteration, unauthorized disclosure or access in particular where the process involves the transmission of data over a network and against all other unlawful forms of processing". "For more information on data protection and privacy please read the PrimeNet terms and conditions clause no..... on the Bank's website www.primebank.co.ke".
